

Christopher's Caterpillars

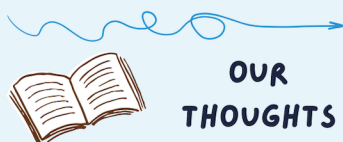

Charlotte Middleton

BOOK TALK CARDS

ABOUT THE BOOK

Christopher Nibble and his friend Posie look after their pets carefully but, one day, the caterpillars disappear! Our gardening guinea pigs become the detectives of Dandeville and, to solve the minibeast mystery.

"A warm-hearted tale that wins the reader over with its quirky humour and endearing characters."

EYFS

THEMES:

Life cycles • Caterpillars

TIME TO TALK

- 1 Christopher loved gardening and football, what are your favourite ways to pass the time?
- 2 When you spend time with your friends what do you do together to have fun?
- 3 Why do you think Christopher didn't want to leave the caterpillars munching his prize dandelions even though they looked so happy?
- 4 Looking after a pet is an important job. What kind of things do you need to think about to keep them happy, safe and healthy?
- 5 How did Christopher and Posie know that their caterpillars were happy?
- 6 If your pet went missing, how would you go about finding them?
- 7 What do you think Christopher and Posie learnt about caterpillars and keeping them as pets?
- 8 Caterpillars go through metamorphosis, which means "to change shape or form." What other creatures go through these kinds of changes in their life cycle?
