Peters

WHAT IS DINOSAUR DAY?

Do you know your Brontosaurus from your Brachiosaurus? How about your Troodon from your Pterodactyl?

You might not, but the kids in your class certainly do!
This year at DK, we're putting the nation's favourite curiosity
centre stage with our very first **DINOSAUR DAY** on 30 June.

For many children across the world a love of dinosaurs is the
gateway to natural science and history. Which kid doesn't want
to find out about the size of a T-Rex? Or how fast Velociraptors
could run? Or if Plesiosaurs were amphibians or reptiles?*

For almost 50 years DK has been the world's largest publisher of
dinosaur books and we've helped expand the understanding of
these mysterious and magnificent creatures. With dino books for
all ages we'll be encouraging the nation to celebrate dinosaurs
through reading, working with schools and booksellers for a full
weekend of dino fact-tastic entertainment.

So read on for your complete guide to our roar-some
selection of dinosaur books and a range of activities
for hosting your very own school's Dinosaur Day –
as well as how to sign up for our schools competition.

We can't wait to see what you do in class!

I'm a
Troodon!

* All very recent questions we've been asked by kids!

5 WAYS TO HOST YOUR OWN DINOSAUR DAY AT SCHOOL

1. Order some DK dinosaur books!

From the adventures of *The Dinosaur Club*
and quiz time in *The Fact-Packed Activity Book:
Dinosaurs*, to the incredible dino maps in
What's Where on Earth? Dinosaur Atlas, we've
got educational dinosaur books for every
dinosaur fanatic. Read on in this booklet to
find the perfect read for your school.

Psst... if you sign up to the competition (on the
right) we'll also send over offers from our retail
partners for special schools-only discounts.

2. Sign up to DK Learning for a host of curriculum aligned fun dinosaur activities

Our DK Learning website is home to a range
of lesson-plans, activities and kahoots inspired
by our books. Visit our special page [here](#) or scan
the QR code above to find **curriculum-aligned
activities**, including *Dino Bingo* (KS1),
Dinosaur Detectives (KS2) and *Mesozoic
Monsters* (KS2). You should find everything
you need to start planning the perfect Dinosaur
Day for your school.

DINOSAUR DAY!

3. Sign up for a Dinosaur Day competition*

Enter our schools giveaway [here](#)
or scan the QR code above, where you could
win 50 dino-mite dinosaur books for your
school library.

We also have 50 limited edition Dinosaur Day
sticker packs – each containing 1200 stickers
in total – to give away. To sign up for your pack,
just enter the giveaway. Packs are given out on
a first-come-first-serve basis so act quickly!

4. Join us for a very special lesson...

Just before Dinosaur Day, we'll be sending
over a special video message for schools from
a ***real life* paleontologist**, with an exclusive
look at a day in their life, alongside answers
to some of the most in-demand dinosaur
questions. Simply join DK Learning to receive
access.

5. Speak to your local bookshop

We're working with bookshops up and down the
country to host some very special Dinosaur Day
events. Contact your local bookshop to find out
if you can celebrate together.

MEET OUR PALAEOLOGISTS

Here are just some of the brilliant palaeontologists who work with us on our DK books...

Professor Anusuya Chinsamy-Turan

Anusuya Chinsamy-Turan is a South African palaeobiologist based in the Department of Biological Sciences at the University of Cape Town. She is known for her expertise and developments in the study of the microstructure of fossil teeth and bones of extinct and extant vertebrates.

BOOK: *Dinosaurs and Other Prehistoric Life*

Dr Dean Lomax

Dr Dean Lomax is an internationally recognised multi-award-winning palaeontologist, author and presenter. He travels across the world excavating and researching dinosaurs and other ancient animals, discovering and naming new species, and regularly appears on TV as an expert and presenter, notably co-hosting the primetime TV series *Dinosaur Britain*.

BOOKS: *The Bedtime Book of Dinosaurs and Other Prehistoric Life*
Everything You Need to Know About Dinosaurs

Darren Naish

Darren Naish has worked for BBC's Natural History unit and is a science communicator and dinosaur expert. As a part of his work, he's named fossil animals, dinosaurs and flying reptiles.

BOOK: *What's Where on Earth? Dinosaur Atlas*

Emily Keeble

Emily is a vertebrate palaeontologist and science communicator, currently studying for a PhD at Virginia Tech University.

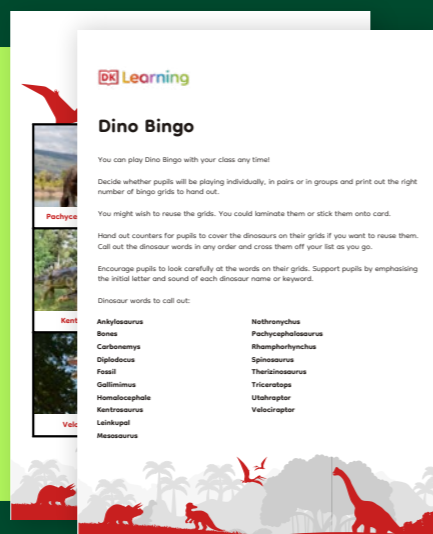

BOOKS: *The Secret Explorers and the Jurassic Rescue*
Dinosaur Club: The T-Rex Attack
Dinosaur Club: A Triceratops Charge
The Fact-Packed Activity Book: Dinosaurs

Activities for KS1

Dino Bingo!

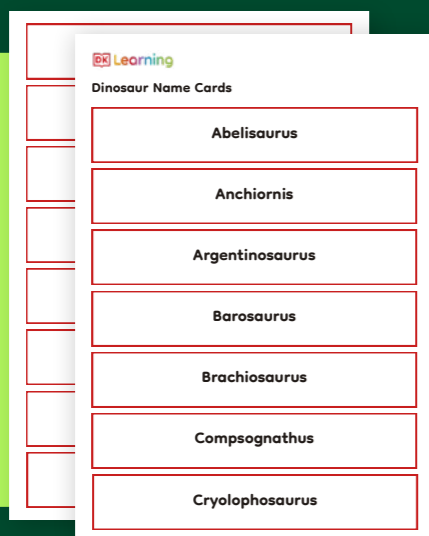

Print and hand out the bingo grids and read out the list of super tricky dinosaur names with your class. Encourage pupils to look carefully at the words on their grids. Support pupils by emphasising the initial letter and sound of each dinosaur name or keyword.

Click or scan to download

Click or scan to download

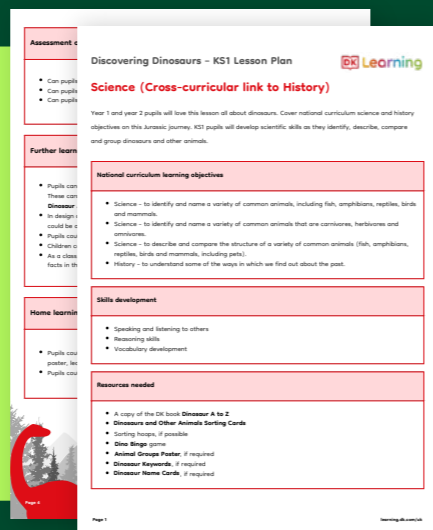

Dinosaur Name Cards

Pupils can develop their knowledge of alphabetical order by sorting the Dinosaur Cards and these cards will also help with their phonics and reading skills. All dinosaur names are in the DK book, *Dinosaur A to Z*, so pupils can also practise looking them up.

Discovering Dinosaurs Lesson Plan

Year 1 and year 2 pupils will love this lesson all about dinosaurs. Cover national curriculum science and history objectives on this excellent Jurassic journey. KS1 pupils will develop scientific skills as they identify, describe, compare and group dinosaurs and other prehistoric animals.

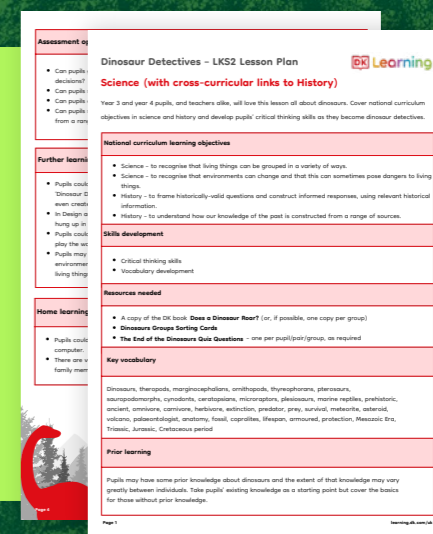

Click or scan to download

Activities for KS2

Dinosaur Detectives Lesson Plan

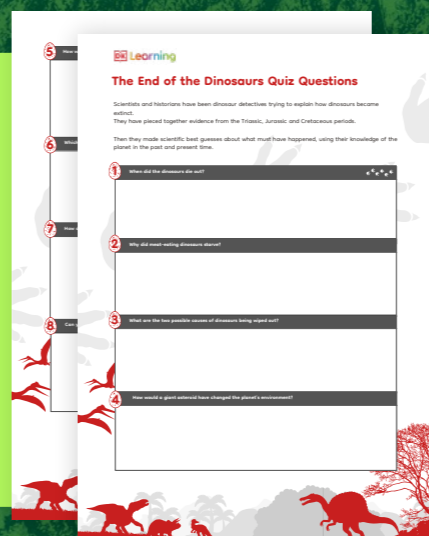

Year 3 and year 4 pupils, and teachers alike, will love this lesson all about dinosaurs. Cover national curriculum objectives in science and history and develop pupils' critical thinking skills as they become dinosaur detectives.

Click or scan to download

Click or scan to download

The End of the Dinosaurs Quiz Questions

Take all your learnings about the Triassic, Jurassic and Cretaceous periods from our Dinosaur Detectives lesson plan and put your new-found knowledge to the test by answering the greatest dino mystery of all time: why did the dinosaurs die out?

Mesozoic Monsters Lesson Plan

Year 5 and year 6 pupils will develop their non-fiction reading and writing skills in this English lesson with a dinosaur theme. National curriculum objectives in reading are covered through the popular topic of the Mesozoic Era.
