

The Magic Faraway Tree giveaway terms and conditions 23.04.26

1. The Magic Faraway Tree reading nook competition is promoted by Peters, a company incorporated in England under registered number 02452340 and having its registered office at 120 Bromsgrove Street, Birmingham, B5 6RJ and is not open to employees of Peters, their families and anyone else professionally connected to this competition.
2. The competition is open to all primary schools within the UK (England, Scotland, Wales and Northern Ireland).
3. To be entered into the prize draw, schools must upload online or post their completed activity sheets to Peters. There is no set requirement or limit relating to the number of pupil entries submitted; each school entering may choose to submit one pupil entry or multiple entries.
4. All schools submitting entries will automatically be entered into the prize draw, regardless of the number of entries submitted. Winning schools will be drawn at random.
5. Schools must submit their entries by the closing date of **Friday 12 June 2026** to be entered into the prize draw. Any entries sent by post must **arrive at Peters by Friday 12 June 2026**. Any entries arriving after this date will not be eligible.
6. All schools submitting entries will automatically be entered into the prize draw to win one of twelve prizes: two Magic Faraway Tree reading nooks (each worth £500), and ten runners up prizes consisting of a set of The Magic Faraway Tree books (four books).
7. By submitting their school and contact details, staff consent to these being used by Peters to contact them in the event of a win.
8. The Magic Faraway Tree reading nook prizes each contain one Oak book tree and one Meadow beanbag from Peters' furniture range, which will be supplied by Peters. These items are made to order, so will be delivered up to 8 weeks after the winners are announced.
9. The Oak book tree requires assembly to the wall; all fittings and fixtures are included.
10. Once the winners have been selected, we will liaise with them to organise an appropriate time for delivery.
