I Follow the Fox

by Rob Biddulph

Little Fox has gone missing in the park. The family search high and low, but the teddy can't be found.

OUR THOUGHTS

"A lost toy story that turns into a magical adventure. As would be expected, the illustrations are wonderful and offer lots of little details that really bring the whole to life. A wintery treat."

TIME TO TALK

- 1 How do you think the boy felt when he lost Little Fox? Have you ever felt like that?
- 2 Have you ever seen a real fox?
- 3 Which is your favourite picture in the book?
- 4 Look at the picture on pages 20-21, where Fox has been reunited with her cub. What can you see in this picture? Is it all natural or are there some man-made things?
- 5 Do you wish you could have followed the fox?
- 6 Do you think the boy did take the fox to the park or was it all a dream?
- 7 Rob Biddulph decided to put foxes in a story because a family of foxes visit his garden. If you were going to make a story about an animal, which animal would you choose and why?
